- V. Old Business
 - A. Proposed By-Laws Changes – approved by board
 - 1) Article II (14): Change the state tournament date to the weekend two weeks earlier than currently scheduled. The format and age groups would remain the same as we have now.
 - 2) Article I (4) Rule 1-2-3: Change the time between matches to 10 minutes.
 - 3) Article II (13): Use a draw system each year after the conclusion of the district tournaments.
 - 4) Article II: Eliminate the application of Article I (4) Rule 4-4-2 for state qualifying series tournaments. This removes the maximum weight spread for the state series, relying on the existing NFHS rules.
 - 5) Article I (4) Rule 6-1-1: Change High School division to 1:30 periods (instead of 2:00)
 - 6) Article II (6): Change the Qualifying series entry fees to \$25.00.
 - 7) When USAW-KS sponsors or supports teams that participate in events, such as dual team formats or individual tournament competitions, Kansas wrestlers will not be allowed to participate in these events outside the USAW-KS process. For example, Kansas wrestlers will not be allowed to participate in these events as individual competitors not affiliated with USAW-KS, or with additional teams formed outside the USAW-KS process. If there is a USAW-KS qualifying process, such as a qualifying tournament or application process, to make any of these USAW-KS teams, each individual must participate in the required qualifying process to attend these events. If an individual participates in the qualifying process, and is not asked to be a part of the USAW-KS team, then he may participate outside the USAW-KS teams if allowed to do so by the event. A Kansas wrestler is an individual who is either a resident of Kansas or attends a Kansas school.

B. Proposed By-Laws Changes – not approved by board

- 1) Section II(2): Add statement/sentence that says, “If the individual being ejected is a minor (ie: student) then Rule 8, Article 8 of the High School rulebook will be enforced by the host of the sanctioned event”.
- 2) Proposal to move to 8 Districts
- 3) Requirement that all USAW-Kansas sanctioned tournaments must use TrackWrestling.
